

RESTOP Lavatory Systems

Available: RS2000 and RS2004-HS (pictured)

Don't leave home without the RESTOP personal lavatory system. It's like carrying your own portable bathroom stall, without the weight (or the wait!). Lightweight, durable, convenient, and easy to use.

The Personal Lavatory System includes the privacy shelter, commode, (5) RS1, and (10) RS2. The Privacy Shelter stands 6' 6" in the center with a 4' x 4' base. The nylon taffeta shelter is both water repellent and mildew resistant. The commode seat is soft and full-size for your comfort.

Comes in two configurations:

**RS2000 Privacy Shelter, Commode, (5) RS1
and (10) RS2 UPC 685816000842**

**RS2004-HS Privacy Shelter, Commode, (2)
RS1, (4) RS2, and NEMO Helio Shower
